

Orchid Society of Western Pennsylvania

Membership Information

The Orchid Society of Western Pennsylvania (OSWP) is a 200+ member organization of orchid enthusiasts. Membership in the organization is open to everyone, whether they grow orchids or merely wish to learn about them. Meetings are held monthly, usually on the third Sunday of each month at the Phipps Garden Center in Mellon Park near the corner of Fifth and Shady Avenues in Pittsburgh. Members enjoy interacting with nationally respected speakers and orchid vendors as well participating in social occasions. Each spring, the OSWP holds an elaborate Orchid Show, featuring exhibits, sales, seminars and floral arrangements. The Society is a non-profit organization that seeks to advance the propagation, horticulture and preservation of orchids through research and education. Our website is www.oswp.org.
