

**Phipps - Orchid Society Initiative**

**COMPLETE RESULTS OF HISTORICAL PHRAGMIPEDIUM HYBRIDS SURVEY**

**WHAT WAS ASKED OF THE PARTICIPANTS:**

This survey consists of selected phrag hybrids arranged by years. Please identify the 2 hybrids you consider the most important in each period AND write the reason for

If you have suggestions about clones that are still available, please add the clonal names as well.

If you would like to select other hybrids that we have overlooked, please write your selection under "other" and indicate your reason.
