

Donors and Sponsors - 2024 Show

We frequently (!) mention how vital participation is to the success of our show. The following people may not have been working the show, or even members, but their generosity certainly is an essential element of our success. The Crowne Plaza is a comfortable, convenient venue, but it is pricey. The following donors and sponsors make it possible and profitable to have our show, complete with ample free parking and pleasant surroundings. We cannot express our gratitude enough.
